MasterMover®
Worldwide Electric Tug Solutions

MT200

Master Tug

Electric Tug | The MasterTug MT200

The MT200 is the first and smallest electric tug in the MasterTug range. It is designed to push, pull and steer wheeled loads weighing up to 2,000 kg. Internal weight packs provide the traction, the dual secured mast gives the machine a robustness and the AC drive motor ensures maximum power even at low speed. An automatic tiller cut off maximises operator safety and the option of an interchangeable battery ensures the machine is available for use 24 hours a day.

Industries

Suitable for use in a wide range of applications and sectors

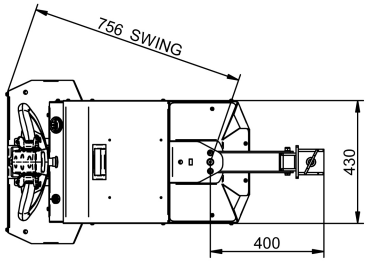

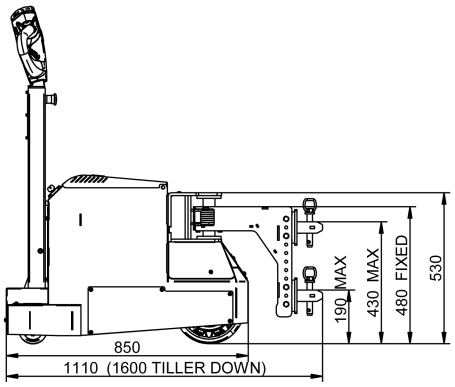

KeyBenefits

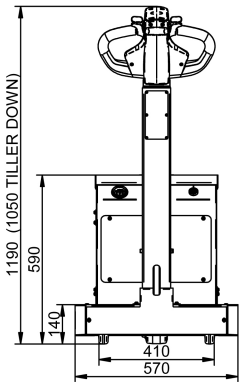

1 year full guarantee

- **Battery monitoring system**
- **Dual secured mast**
- **Zinc coated steel couplings**
- **AC drive motor**
- **Automatic tiller cut off**
- **Internal weight packs**

Castors	Rails
Up to 2,000 kg*	Up to 8,000 kg*

*"Maximum load weight" is only a recommendation that we arrive at by estimating rolling resistance. Your environment and wheel type may affect this figure which is why we carry out a detailed technical evaluation on every project. All of our calculations include a "safe work load" factor to ensure safe operation in all circumstances.

TechnicalData

See our website for full technical details

Identification	
Product code	MT200
Recommended load weight - Castors	2000 kg
Recommended load weight - Rails	8000 kg
Machine weight including battery	214 kg
Drive type	Electric AC
Parking brake	Electromagnetic
Drive wheel type	Polyurethane
Drive motor power	1.2 kW
Controller type	AC
Variable machine speed	0.1 km/h - 5 km/h

Battery options
Battery pack - sealed - 46Ah 24V - interchangeable

Charging options
Charger - internal - 12.5A 24V - 110V-240V
Charger - external - 12.5A 24V - 110V-240V

Mast options
Mast - fixed

Additional equipment
Option - flashing safety light and motion bleeper
Option - two speed selector switch
Option- lifting and anchoring points
Option- battery protection system

Male coupling options
Coupling - male - height adjustable box

Female coupling options
Coupling - female - box
