MasterMover®
Worldwide Electric Tug Solutions

MT600+

Master Tug

Electric Tow Tug | The MasterTug MT600+

The MasterTug MT600+ is designed to allow a single pedestrian operator to easily push, pull and steer wheeled loads weighing up to a maximum of 6,000 kg. As part of the MasterTug range, the MT600+ features a durable drive wheel that aids traction and robust zinc coated steel couplings. The tug's self-adjusting castor guard removes any foot trap risks and the maintenance-free battery is both convenient and safe.

Industries

Suitable for use in a wide range of applications and sectors

Construction and Mining Equipment

Automotive and Commercial vehicles

Paper

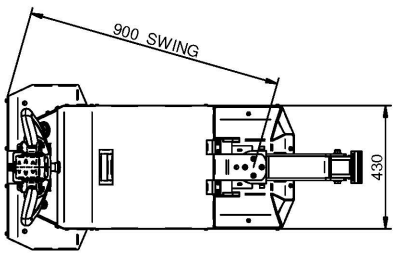

Plastic and Metal Extrusion

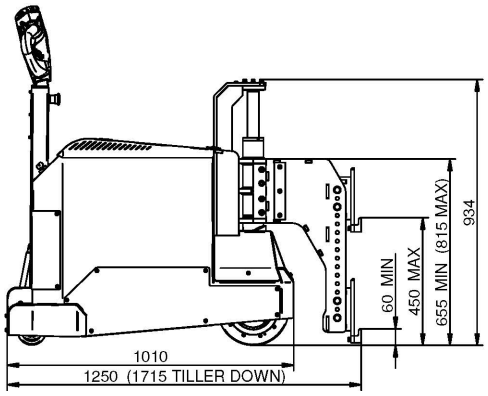

KeyBenefits

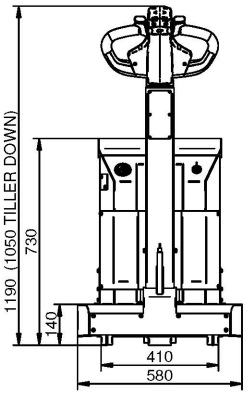

1 year full guarantee

- **Battery monitoring system**
- **FEA tested steel chassis**
- **Dual secured mast**
- **AC drive motor**
- **Self-adjusting castor guard**
- **Hydraulic weight transfer**

Castors	Rails
Up to 6,000 kg*	Up to 24,000 kg*

*"Maximum load weight" is only a recommendation that we arrive at by estimating rolling resistance. Your environment and wheel type may affect this figure which is why we carry out a detailed technical evaluation on every project. All of our calculations include a "safe work load" factor to ensure safe operation in all circumstances.

TechnicalData

See our website for full technical details

Identification	
Product code	MT600+
Recommended load weight - Castors	6000 kg
Recommended load weight - Rails	24000 kg
Drive type	Electric AC
Parking brake	Electromagnetic
Drive wheel type	Polyurethane
Drive motor power	1.5 kW
Controller type	AC
Variable machine speed	0.1 km/h - 5 km/h
Machine weight including battery	315 kg

Battery options
Battery pack - sealed - 102Ah 24V - interchangeable
Battery pack - sealed - 119Ah 24V - interchangeable

Charging options
Charger - external - 12.5A 24V - 110V-240V
Charger - external - 20A 24V - 110V-240V

Additional equipment
Option - flashing safety light and motion bleeper
Option - two speed selector switch
Option - wireless control handset
Option - combi lock
Option - quick release coupling pins
Option - lifting and anchoring points
Option - battery protection system

Male coupling options
Coupling - male - height adjustable combi - medium
Coupling - male - height adjustable box - medium
Coupling - channel coupling body

Female coupling options
Coupling - female - combi - medium
Coupling - female - box - medium
